EXPERIENCE

Hii I had starting freelancing since 4 Oct 2023 and we are solve many problems on website and mostly project I had getting by my friend and finally 15 Jan 2024 we had get the my first job on web development role in my city and 15 Jan to so far, we have doing my job, Thanks to my first job.

PROJECT

[Home \(ibrainca.in\)](http://Home(ibrainca.in))

This is my first project and we had complete its project frontend this is Institute web for solve the institute problems and these are MLM project this Project currently not done but frontend are done and Client are satisfait of my great work and onece again thanks to client.

quicksilvermakeovers.com (000webhostapp.com)

this is beautician project client belong to Bangalore and its project completed of almost 95% this are static website but we have give the dynamic function like three banner change by the admime and upload the image by category and all client data store an admime Pannel and its project I will try to do my best on client budget (currently this not the client server)

[Mahadev Holiday \(gyanvidigital.github.io\)](http://Mahadev Holiday (gyanvidigital.github.io))

this is Travel project client belong to Gorakhpur city and its project completed of almost 90% this are static website I will try to do my best on client budget (currently this not the client server)

{ We have make many website but Mostly project are like statics but we can make dynamic website}
